

i4 IS HERE:  
**THE HI-TECH LINE  
FOR INDUSTRY 4.0**

# THE HI-TECH LINE FOR INDUSTRY 4.0

▶ COMPATIBLE WITH SCAN&FIT  
INSOLES

INSPIRED BY THE WORLD OF INDUSTRY 4.0, THE NEW I4 LINE COMBINES MAXIMUM STABILITY IN THE BACK PART AND HIGH FLEXIBILITY IN THE FRONT.

**i4** GUARANTEES COMFORT, BALANCE AND SAFETY FOR THOSE WHO SPEND A LOT OF TIME STANDING AND FOR THOSE WHO MAKE REPEATED FLEXIONS AND MOVEMENTS.

THE RESULT?  
**EXTREME COMFORT  
AND PURE INNOVATION.**

## HIGH PERFORMANCE FOOTWEAR

### ▶ **Flexible**

The shoes are made in a single block, assembling the least number of pieces. The result is more flexibility, lighter weight, easier movement and less pressure on the feet.

### ▶ **100% non-magnetic**

The shoes are 100% metal free, antistatic (ESD) and with not metallic toe-cap. Perfect for those who work in automated and robotic lines.

### ▶ **Reinforced**

The back of the shoes features bumper spoilers that protect the heel from accidental impacts.

# INNOVATION AT THE SERVICE OF COMFORT

## SlimCap

Non-metallic toecap, thinner and lighter than usual safety footwear. The protective band perfectly adheres to the toe-cap, avoiding pressure and pain on the toes.

## SmellStop

Breathable lining in 3D technical fabric with permanent antibacterial\* treatment against bad odors and bacteria.

*weareco*

## Dry'n Air Omnia Weareco ESD

Breathability, stability and sustainability. The Dry'n Air Omnia Weareco ESD insole is designed in a sustainable way, ensuring the well-being of the foot and the environment.

## AirTech + Tpu-Skin

The anti-fatigue, flexible and light sole adapts to any type of surface, ensuring maximum slip-resistance during movements.
